

PRINTED DRY ERASE GRAPHICS

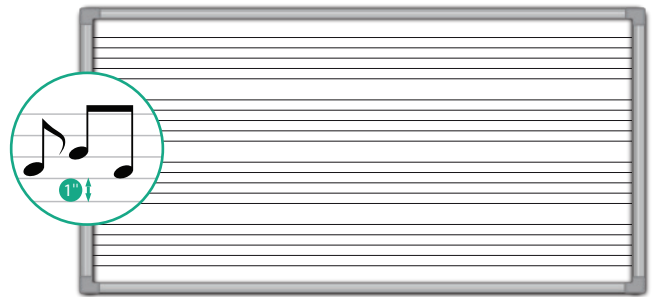

Everase's incredible surface has the ability to be printed with custom designs that meet a wide range of educational and organizational applications. From standard, "off-the-shelf" educational designs like music staff, penmanship and traceable grid or graph lines to completely customized graphics and dynamic, photo-quality images, our proprietary surface will deliver a highly visual, attention-grabbing display. If you can imagine it, we can create it.

Embedded under the Everase high-quality writing surface, your graphics will have the same ease of use with excellent erasability and stain resistance as our standard Everase surface. Some of our most popular standard designs include:

STANDARD GRAPHICS

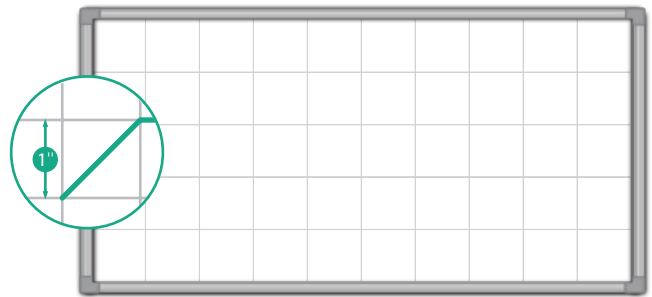

Penmanship Lines

Music Staff Lines

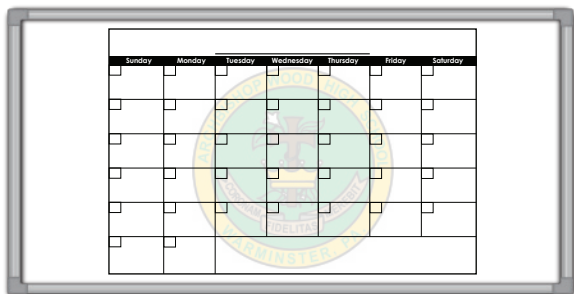

Traceable Grid

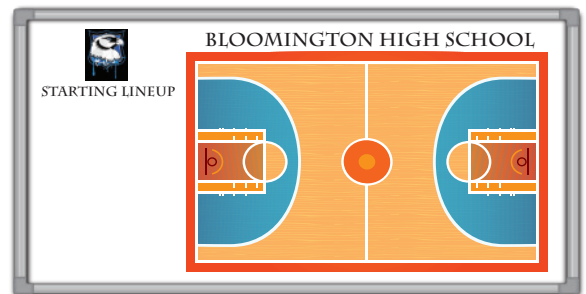

Traceable Graph

CUSTOMIZABLE GRAPHIC OPTIONS

Calendars and Schedules

Sports Diagrams

Graphics are available in 9' to 100' long x 50" high, can be cut down to customer-specific dimensions, and can be provided on a framed board or as a resurfacing roll. Contact us today to place an order or to learn more about our printing and whiteboard solutions.
