

THE BRIGHTEST IDEAS IN WHITEBOARDS

March 23, 2020

Dear Customers, Suppliers and Partners,

On March 19th, the Governor of Pennsylvania ordered non-life-sustaining businesses to close due to the Coronavirus (COVID-19) per the following statement. Finish Tech Corp and Everase fall under the “essential manufacturing” business categories of “paper converting” and/or “plastics products manufacturing” and can continue physical operations.

Therefore, Finish Tech and Everase currently remain open. We have temporarily reduced non-essential staffing, are maintaining social distancing on premises, and have those that can work from home do so.

We also plan to adequately stock our raw materials. If you have any special needs, please communicate to us.

The situation is changing quickly and so any additional changes to Finish Tech’s production status will be communicated as quickly as possible.

Should you have current or future questions, the following emails and phone numbers will be available to help:

Finish Tech Corp. **215-396-8800** info@finishtechcorp.com

Everase **800-494-5677** info@everase.com

Stay safe and healthy!

Sincerely,

M.J. Dani
